## ABOUT THE CHABOT SPACE & SCIENCE CENTER

Chabot Space & Science Center is a non-profit institution and community resource located on 13 trail-laced acres in Redwood Regional Park in Oakland amid the largest stand of coastal redwoods in the East Bay. Chabot features a 241-seat full dome planetarium, interactive and hands-on exhibits, space artifacts, a giant screen theater, a Challenger Learning Center, and the only research-level telescopes regularly available to the public for weekly live viewing in the Western United States.

**Our Mission:** To inspire and educate learners of all ages about the Universe and Planet Earth.

**1000 Skyline Blvd,  
Oakland, CA 94619  
(510) 336-7300**

**(Park is temporarily closed due to COVID-19)**

## CHABOT EVENTS

[View Calendar](#)

**Following guidance from the CDC and local medical officials, all in-person public programs and gatherings at the Center have been postponed or cancelled until further notice.**

All listed events are available to watch free on Facebook Live. To receive a notification when live events begin, make sure to “Like” the [Chabot Space and Science Center Facebook page](#).

### 137 Years of Chabot Space & Science Center in 60 Minutes

**August 19 @ 8:00 pm - 9:00 pm**

Take a look back through more than 135 years of Oakland history! Friday, August 19 8-9 p.m. Chabot SpaceCenter has very old roots in Oakland and the East Bay, and no fewer than three incarnations as a student and public observatory and science education center. Now celebrating the 20th anniversary at its present location on the skyline of the Oakland Hills, the institution as a whole turns 137 this year. This presentation will trace and illustrate the...
